(c) The Bureau of Indian Standards have now proposed as follows:—

(i) To revise the methods of analysis to use Internationally Established Test Methods which could detect proposed residue limits.

(ii) To prescribe the maximum residue limits of pesticides in packaged drinking water and mineral water as follows:—

(a) Pesticide residues considered individually - 0.0001 mg/litre

(b) Total pesticide residues - 0.0005 mg/litre

(iii) The manufacturers shall produce a No Objection Certificate from the Central Government/State Government Ground Water Authority for obtaining BIS Certificate.

Since Packaged Drinking Water is under Compulsory Certification Scheme of BIS, there is a necessity to harmonise the standards prescribed under PFA Rules with the standards amended by BIS.

Accordingly, a draft notification for inviting comments from public to amend the standards of Packaged Drinking Water and Mineral Water under PFA Rules, 1955, as recommended by BIS was issued *vide* GSR No. 111 (E) dated 18.2.2003. The comments received are being processed by a Technical Committee constituted to examine the comments.

Statement-II

Doordarshan Commercial Service

Steps taken to recover outstandings

For recovery of outstandings and to ensure that outstandings are reduced to the minimum, the following steps have been taken:-

(i) Outstandings are monitored on monthly basis and regular reminders are sent to the agencies for the clearance of the outstanding dues.

(ii) No fresh programme is allotted to any defaulting agency/ producer.

(iii) Agencies which have outstandings have been asked to follow a payment plan to wipe off the arrears in three months. In case the dues are not cleared, the normal credit period is suspended and agencies are allowed their programmes only on advance payment of telecast fee.

(iv) Defaulting agencies are allowed to run their programmes only on advance payment of telecast fee.

(v) To secure the DD's revenue and to cover the credit period the Bank Guarantee amounts for running serials on normal telecast fee is increased to four times the telecast fee. In the case of high value MG programmes, this is equivalent to fee for two episodes.

(vi) To recover the outstanding against the defaulting agency, legal action has already been taken against the several agencies and contemplated against others.
